II. INTRODUCTION

A. Background

Hawaii Revised Statutes (“**HRS**”) chapter 88E authorizes the State of Hawaii (“**STATE**”) to establish a Deferred Compensation Plan (“**Plan**”) for the benefit of employees in accordance with section 457 of the Internal Revenue Code of 1986, as amended (“**Code**”). The Plan’s Board of Trustees (“**Board**”) is responsible for the overall administration of the Plan, and consists of seven (7) trustees who are appointed by the Governor. The Director of Human Resources Development serves as the chairperson, and the Board is placed within the Department of Human Resources Development for administrative purposes.

The Plan has been in existence since 1982, and is open to all employees who are members of the STATE’s Employees’ Retirement System and employed by either the STATE, the County of Hawaii, the County of Maui, or the County of Kauai. The following statistics are available as of December 31, 2002:

Number of active participants (contributing)	19,759
Number of inactive participants (employed/not contributing)	2,984
Number of retired or separated who received or are receiving distributions	2,559
Number retired or separated with accounts who are not yet receiving distributions	2,287
Number of participants who purchased annuities	9 (2002)
Total value of annuities purchased	\$505,278.38 (2002)
Stable value fund asset value as of 5/30/03 (Prudential)	\$573,449,487.34
New enrollments processed in 2002	1,232
Termination and retirements processed in 2002	1,247
Deferral changes (increase, decrease, cancel) processed in 2002	9,116
Number of transfers processed in 2002	25,774
Number of participants making allocation changes processed in 2002	5,622

The total number of employees eligible to participate in the Plan is approximately

54,081¹. \$75,410,928.32 was deferred last calendar year (2002) and the Plan's total assets was \$962,371,382.20² as of May 31, 2003. Participant contributions are deposited into the Plan each pay date. There are approximately forty-eight (48) pay dates per year: 24 paylag and 24 non-paylag. "Paylag" is defined as the 5th and 20th of every month, and "non-paylag" is defined as the 15th, 30th, or the 31st of each month. If any of these dates fall on a weekend or a holiday, the pay date is the business day before. Currently, the STATE and Counties release contribution information to the Plan's Third Party Administrator ("**TPA**") two business days prior to the pay date.

Effective July 1, 2003, the Plan's new TPA will be CitiStreet LLC ("**CitiStreet**") and the Plan's new Custodian will be State Street Bank and Trust ("**State Street**").

The Plan currently offers the following investment options to participants:

Investment Options	Balance (as of 5/31/2003)
Prudential Stable Value	\$573,449,487.34
Prudential Total Return Bond	13,665,766.39
Vanguard Wellington	23,892,555.67
Fidelity Puritan	10,367,871.98
Vanguard Institutional Index	82,809,581.02
Prudential Stock Index	77,816,136.94
Fidelity Growth & Income	48,134,740.52
Prudential Equity	51,638,500.33
Putnam New Opportunities	38,765,732.04
Delaware Trend	23,708,458.40
EuroPacific Growth	18,123,551.57

The Prudential Stable Value Fund is a synthetic fund whereby Prudential Insurance Company of America ("**Prudential**") provides a benefit responsive book value insurance wrap arrangement and Jennison Associates LLC ("**Jennison**") provides investment management services. Prudential provides a periodic crediting rate for stability of returns for participants. Jennison manages the underlying intermediate fixed income portfolio that is benchmarked to the Lehman Brothers Intermediate Government/Credit Index.

B. Stable Value Investment Option

¹ This figure includes eligible employees in the State Executive Branch (including DOE & University), the Judicial and Legislative Branches, the Hawaii Health System Corporation, other separate State agencies, and the counties of Hawaii, Maui, and Kauai.

² This figure includes funds in the Great-West Life account, and all unsettled transfers.

In the past, the Board had two competing stable value funds (Prudential and MetLife). However, the MetLife Stable Value Fund (Separate Account 160) was discontinued in January 2003, and the Board is interested in obtaining proposals for the Plan's stable value investment option(s). The Board has retained the services of Mercer Investment Consulting, Inc. ("**Mercer**"), and is contemplating two scenarios:

1. Obtain another competing stable value fund;
 - a. Under this scenario, the Plan would retain the Prudential Stable Value Fund and obtain a new, competing stable value fund managed by another entity. Thus, participants will still have a choice between the Prudential Stable Value Fund and a competing stable value fund.
 - b. The new competing stable value fund will start with a zero account balance; or
2. Offer one stable value fund option that is made up of two funds with a blended rate of return.
 - a. Under this scenario, the Plan would retain the Prudential Stable Value Fund, and obtain another complementary stable value fund manager. The total amount of assets currently invested in the stable value option would be divided between Prudential and the new stable value fund manager. For bidding purposes under this scenario, it should be assumed that the new stable value fund manager could receive as much as \$300 million in assets.
 - b. Prudential's rate of return and the new stable value fund manager's rate of return would be blended into one rate for participants.
 - c. The stable value investment option provided to participants would generically be called the "Stable Value Fund" and offer a blended rate of return to participants.
 - d. It should be noted that the Board (with the assistance of Mercer) shall ultimately determine the amount of assets, if any, to be provided to the new stable value fund manager. This amount shall be based on what the Board deems to be in the best interest of participants, and may vary from period to period, in the sole discretion of the Board.

The Board therefore requests that interested parties submit proposals on one or both scenarios above. The Board will review the proposals, and determine which scenario (if any) is best for the Plan and its participants. The Board reserves the right to select either scenario, or cancel this RFP if it is in the best interest of participants.

III. SCOPE OF WORK

The requirements specified in this section are designed to assist the Offeror in submitting a proposal that will best meet the needs of the STATE. The requirements presented specify the services to be provided by the successful Offeror and the minimum capabilities required.

 - d. Custody. The State has agreements in place with State Street and CitiStreet to provide custody services, including daily pricing for separate account mandates. Custody costs for separate accounts should not be included in your fee proposal. Custody costs for institutional mutual funds and commingled funds are expected to be imbedded in the proposed fee schedule/expense ratio.

C. Evaluation Committee

1. The Board shall be the Evaluation Committee that shall review and evaluate all proposals submitted by the deadline specified in this RFP.

D. Evaluation Process

The evaluation of proposals shall be conducted in six (6) phases:

1. Phase 1 - Initial Classification of Proposals

Proposals shall be classified initially as “acceptable”, “potentially acceptable”, or “unacceptable”. All responsive, responsible Offerors who submit “acceptable” or “potentially acceptable” proposals shall be eligible for the priority list in Phase 2.

The purpose of this phase is to determine whether an Offeror's proposal is sufficiently responsive to the RFP to permit a complete evaluation. Offerors must submit the “Standard Proposal Letter”, and a proposal that addresses all of the requirements specified in this RFP and is in the format specified in this RFP. Failure to meet these requirements shall be grounds to deem the proposal “unacceptable”.

2. Phase 2 - Establishment of Priority-Listed Offerors

If there are more than three (3) “acceptable” or “potentially acceptable” proposals, the Evaluation Committee (with the assistance of the Board’s Consultant) shall evaluate the proposals under the evaluation criteria above, rank the proposals, and limit the priority list to at least three (3) responsive, responsible Offerors who submitted the highest-ranked proposals. Those responsive, responsible Offerors who are selected for the priority list shall be referred to as the “Priority-Listed Offerors”.

3. Phase 3 - Interviews with Priority-Listed Offerors

During this phase, the STATE may (in its sole discretion) conduct interviews only with Priority-Listed Offerors during the time period designated in the “Calendar of Events”.

The STATE may require oral presentations from the Priority-Listed Offerors to ensure a thorough, mutual understanding of each proposal. The STATE shall schedule the time and location for these presentations during the time frame in the “Calendar of Events” or as required by the Evaluation Committee. Any Priority-Listed Offeror who is requested to make a presentation but fails to make the presentation on the scheduled date to the Evaluation Committee shall not be considered for the final award. Any and all costs incurred by an Offeror in making the

presentation shall be the Offeror's sole responsibility and shall not be reimbursed by the STATE whatsoever.

4. Phase 4 - Submission of Best and Final Offers

Priority-Listed Offerors shall submit their best and final offers by 12:00 p.m. Noon, HST, September 29, 2003. Best and final offers shall be submitted only once unless it is determined in writing by the STATE to be in the best interest of the STATE to conduct additional discussions, or change the STATE's requirements, and require another submission of best and final offers.

Priority-Listed Offerors that do not submit a best and final offer shall have their immediate previous proposal considered their best and final offer.

5. Phase 5 - Final Evaluation of Proposals

During this phase, the Evaluation Committee (with the assistance of the Board's Consultant) may conduct final evaluations of the Priority-Listed Offeror's best and final offers submitted by the Offerors. If best and final offers are not required, the Evaluation Committee (with the assistance of the Board's Consultant) shall conduct final evaluations of the proposals received. Final evaluations may include interviews with the finalists to clarify any further information on each proposal. The STATE may schedule the interviews by telephone (with the assistance of the Board's Consultant) during the time frame in the "Calendar of Events" or as required by the Evaluation Committee.

6. Phase 6 - Recommendation for Award

The Evaluation Committee (with the assistance of the Board's Consultant) shall prepare a short report summarizing its findings and rankings, and shall make the final selection of the CONTRACTOR.

E. Contract Period

1. The successful Offeror shall enter into a Contract for a period commencing on or about December 1, 2003, and ending November 30, 2008 (i.e., for a period of five (5) years)
2. Thereafter, the Contract may be extended annually by mutual consent.

3. Either party may elect not to extend the Contract on the expiration or extension date of the Contract; provided that the party electing not to extend must notify the other party in writing at least sixty (60) calendar days prior to the expiration or extension date.

F. Contract Execution

1. The successful Offeror shall be required to enter into a formal written Contract in accordance with the laws, rules and regulations of the STATE. It is anticipated that the contract shall be executed within approximately ninety (90) days of the date of notification of the award.
2. The STATE intends to use the “State of Hawaii Agreement for Goods or Services based upon Competitive Sealed Proposals”; and the “General Conditions” in Appendix D; provided that the following termination provisions shall also apply:
 - “a. The STATE may terminate the Contract immediately if:
 1. The CONTRACTOR fails to comply with any applicable STATE or federal licensing requirement(s) necessary to provide the services under the Contract;
 2. The Plan is discontinued by the STATE, or is disallowed by operation of any STATE or federal law or court order;
 3. The award of the Contract to the CONTRACTOR or the Contract itself is deemed invalid by any court or administrative tribunal;
 - b. Except as otherwise provided in the Contract, if the STATE is dissatisfied with the performance of the CONTRACTOR (or any of its subcontractors), the CONTRACTOR fails to perform its obligations under this Agreement, or the CONTRACTOR otherwise breaches the provisions of the Contract:
 1. The STATE shall immediately notify the CONTRACTOR in writing of the STATE’s dissatisfaction, or that the CONTRACTOR has failed to perform or is in breach;

c. Upon termination, expiration, or non-renewal of the Contract, the:

1. STATE shall not be liable to the CONTRACTOR (or its approved subcontractors) for any costs, expenses, loss of profits, or damages whatsoever incurred by the CONTRACTOR (or its approved subcontractors) in the performance of services required under the Contract;
2. STATE shall have the right to secure services in the open market, or from the next Offeror whose proposal is deemed most advantageous to the STATE; and
3. The CONTRACTOR shall be required to assist with and fully cooperate with the STATE in transitioning the Plan to another investment company at no cost to the STATE, the Plan, or the Plan's participants.

d. Additional rights and remedies.

1. The rights and remedies provided in this section are in addition to any other rights and remedies provided by law or under the Contract."
